## Sarah

**Whoop whoop, the restrictions have been lifted - this is me in an old fashioned tea room for afternoon tea. I had a sandwich and cake, Trina and I had a lovely afternoon.**

## Tom

**When Tesco reopened their restaurant I was straight in after I finished the shopping - this is me waiting for my veggie full English.**

## Linda

**I enjoyed a day in Bury St Edmunds shopping with our support worker Trina. I went to Nando's for the first time, I really enjoyed the chicken dinner.**

# Matthew

**My name is Matthew, Matt or MJ to my friends and staff – this is me signing my first tenancy agreement on the 24th May with Sabrina our housing officer. I'm really keen to improve my living skills and move on to my own flat like my sister Sarah.**

## Chessington World of Adventures

**As a long overdue, post Covid lockdown outing Support Workers Angela and Jayne supported us to Chessington World of Adventures. We saw lots of animals – seals, penguins, reindeer, pigs and the big cats. We all went on some of the rides as well – but not the really scary ones! Angie felt rather pleased after going on the log flume and not getting soaked. Emma, who sat at the front did get wet. After a long queue for food we finally got seated at a pizza restaurant for lunch and left feeling rather full! It was a long day but everyone really enjoyed it.**

**Sarah & Emma braving it on the swing ride, Angie & Jayne were both too scared to go on**

**Linda & Jayne on the carousel, everyone else sat on the horses**

**Can you spot the big cat?**

**I wouldn't want to mess with you 3**

**If Angie thought she would have received the reward she really would have handed us in**

# Tom's Celebration Day

**On the 26th June 1966 I was born into this world!**

**On the 26th June 2021 me and my housemates decided to celebrate this by eating a buffet, listening to music, singing then finishing the fun off with a slice of celebration cake.**
