Love to bake

Linda and Sarah have recently been enjoying spending time in the kitchen and putting their baking skills to good use. They both whipped up some homemade cookies, all of which were baked to perfection and bursting with chocolate chips. Not forgetting Matt who had a great time decorating his delicious and very beautiful heart-shaped biscuits.

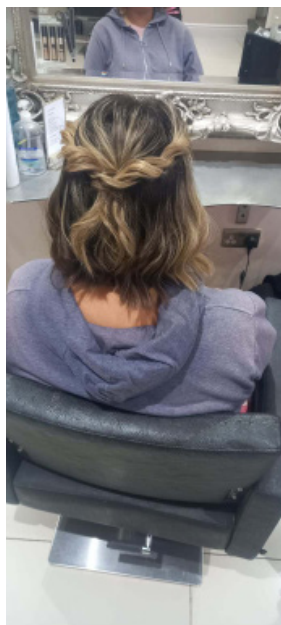

Beautiful nails

Linda and Sarah love getting manicures and enjoy discovering all of the latest nail art and polish colours available each time they visit their favourite beauty salons in Haverhill. During their nail appointments, Linda decided to capture the cool magic of winter with a shimmery shade of blue and Sarah embraced a cute love heart nail look.

Hair trial day

With the masquerade ball just one week away, Molly and Sarah booked themselves in for a hair trial at a local salon to enable them to find the perfect look for the big event. They showed the hairstylists pictures of different styles they liked and, after getting some professional advice, had the opportunity to try out the looks they had in mind. Both Molly and Sarah were thrilled with the results and couldn't wait to show us their new hairdos.

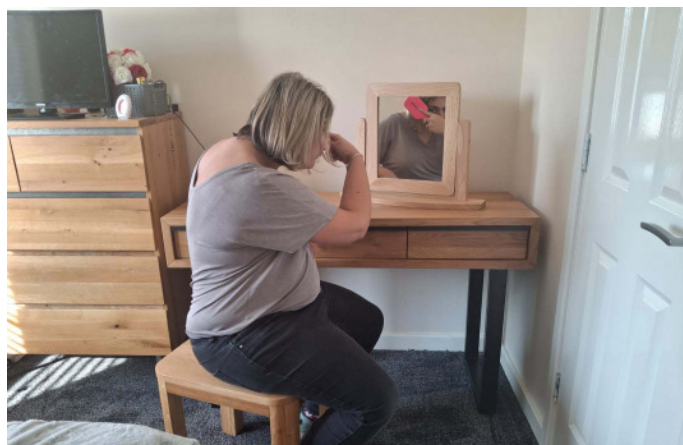

Great pancakes

We decided to whip up some pancakes, all served warm and with a selection of our favourite toppings. Nothing beats starting the day with a stack of pancake happiness, and you can trust us when we say they tasted great.

Sarah's new dressing table

Sarah was super excited when her new dressing table arrived, and is delighted to now have a personal space to get ready and a spot to store her essential items. Not only is Sarah's dressing table a practical option but it also pairs well with her existing furniture and adds a touch of style to her bedroom.

Masquerade ball

It's not every day we get invited to a glamorous event full of mystery and style. So, when we were asked to attend the Thrive Hub's masquerade ball to help them raise funds for a new minibus, we were first in line to grab our tickets and support such a great cause. On the night, we put on our masks and best outfits and had a great time partying on the dance floor and mingling with the other masked guests. We also entered the raffle, and both Emma and Sarah won a bottle of wine and some chocolates.

Route 66

We love heading into town and indulging in some traditional American food at our local diner, Route 66. It's a quirky restaurant offering retro vibes and classic comfort food, making it the perfect place for us to all get together for a meal after a busy day.

Shopping for Vange Place

After Vange Place's makeover in January, Emma and Molly decided it would be nice to purchase some decorative items, such as vases, table pieces and wall art to bring life into some of the newly painted rooms. They had a long chat about what to purchase, then went shopping and had fun choosing eye-catching accessories that add a touch of style and personality throughout the house.

Drag bingo

Emma, Molly and Sarah love a girls' night out, and it came as no surprise when they signed up to attend the Thrive Hub's drag bingo night. They had the best time getting ready and choosing their outfits before an evening of entertainment, which included bingo, games and singalongs.

Sarah's shopping spree

Sarah decided it was time to update her wardrobe and some of her home essentials during her weekly shopping trip at the supermarket. Whilst browsing the aisles, she spotted lots of great bargains and new items to buy, including a pretty crockery set, oven gloves, an electric whisk and some new comfy clothes. Sarah thoroughly enjoyed her shopping spree, and it's safe to say that she is delighted with all of her purchases.

Matt's cookies

Matt enjoys spending time in the kitchen creating all sorts of dishes, but his cooking skills don't end with making meals for breakfast, lunch and dinner. He also loves to bake and recently made some delicious cookies with a little bit of help from support worker Amy.

Mother's Day

Tom wanted to remind his mum how special she is to him, and so he made arrangements to visit her at home to enable them to celebrate Mother's Day together. He took along a card and the most beautiful bunch of flowers he could find to raise lots of smiles and show her how much he cares.

Thrive celebration evening

The Thrive Hub in Haverhill invited us to join them for an evening of celebration. It was a memorable event, which included a BBQ and hog roast, fabulous party band, fun disco and an award ceremony. We all had the best time partying the night away and celebrating the achievements of individuals and groups over the past year.

Here is a list of events that will appear in our next newsletter:

- Fancy dress party
- Punting in Cambridge
- Linda's birthday and much more!

Supporting disabled people to be seen for who they are.
