Montell Enhances the centre garden

Montell dedicated his time to the noble cause of enhancing the garden at our Ipswich Opportunities Without Limits centre. He rolled up his sleeves to clear pesky weeds, expertly trimmed overgrown foliage, and gave a refreshing makeover to the pond. Montell's commendable efforts breathed new life into the garden, transforming it into a rejuvenated and inviting space.

Arts and crafts

Customers gathered a variety of materials and skilfully shaped them into their unique interpretations of underwater fish. This creative endeavour allowed them to bring the beauty of marine life to the canvas, showcasing their artistic talents and imaginative visions of what swims beneath the waves.

Supporting disabled people to be seen for who they are.
