Papworth Trust Day Opportunities

We are here to help

Papworth Trust

We offer an exciting range of leisure, learning and employment focussed opportunities for people looking to access social activities, develop skills and help with learning about going to work.

Our Basildon service delivers opportunities from our centre and within the friendly local community. We benefit from a beautiful sensory garden and wildlife pond, modern facilities and excellent transport links. We provide a varied programme of activities.

On joining the service, you will be assigned a dedicated Caseworker Zoe who will solely focus on your progression and outcomes you wish to achieve, in addition to our ongoing activity sessions. Working closely with you the Caseworker will create a personalised support plan and an action plan to ensure you get from the service what you want.

All of our sessions are delivered by an experienced and passionate team of staff and volunteers.

We pride ourselves on ensuring everyone feels welcome and receives tailored support to explore their potential and achieve their goals.
