

# Access to Work

Government grant scheme that helps disabled people to gain employment or remain in the current employment

## Who is supported?

Disabled people with a mental health condition or a long-term health condition that impacts their ability to work

## Eligibility

- Be over the age of 16
- Have a condition or impairment that affects your ability to work
- Be in or about to start paid employment
- Applies to any paid job

## Grants

The employee will apply for the grant, as the assessment is about the individual.

Access to Work will pay for a proportion of the cost, & the employer will contribute depending on the size of the business

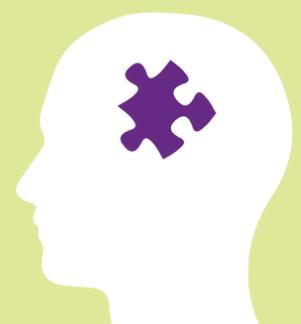

## Funding

Funding covers a wide range of interventions, beyond reasonable adjustments, that an employer may implement to overcome work related barriers due to a disability

## Mental health

9 months work-focused support  
Support to stay in or return to work  
Ideas for workplace adjustments  
Practical advice and suitable coping strategies
