

Art and Craft Competition

Papworth Trust

Time to test your creative skills! Why not compete against your kids, partner or housemates too? We challenge you to paint, draw or create an artistic piece.

To enter, simply donate your £5 entry fee through www.justgiving.com/campaign/PapworthTrust insert "Arts & Crafts" and leave your name and either adult or child (under 16) category in the comments.

Please make sure you manually insert the amount you are donating and set the contribution amount to OTHER. This means that your donation will be the published entry fee without any added costs.

Email 3 photographs of different stages of your work to jo.revitt@papworthtrust.org.uk

We will pick the most impressive or imaginative piece from both the child and adult categories and there will be an award for both.

Once you have finished your fantastic piece, please consider donating it to us to display in one of our Opportunities Without Limits day services.

By entering this competition you agree to Papworth Trust publishing your entry on the Papworth Trust website and social media.
