If you don't have a **Will** the law decides who gets your assets.

Make your **Will** this January and support local disability charity, Papworth Trust.

1st – 31st January 2019

Take care of the people and causes you care about and give yourself peace of mind.

Participating solicitors will write your Will free of charge during our campaign. In return you can make a suggested voluntary donation to Papworth Trust to support disabled people.
