6. Disclosure of Criminal Records

In making this application it is essential that you disclose whether you have any convictions, bind-over orders or cautions and, if so, for what offences. The fact that a conviction, bind-over order, or caution has been recorded against you will not necessarily debar you from consideration for a voluntary role.

Have you any convictions, bind-over orders or cautions including any which might normally be considered 'spent' under the Rehabilitation of Offenders Act? (If you are in any doubt about any conviction, please contact the Volunteering Team prior to completing this form).

Yes (please provide details) ☐ No ☐

If the answer to this question is **Yes** you must give the details which may, if you wish, be enclosed in a separate sealed envelope marked "confidential" and attached to the application. Any information given will be treated confidentially and will be considered only in relation to this application. The object of this is not in any way to reflect upon an applicant's integrity - it is necessary to protect the people we support and the Trust.

If the volunteering role you are applying for requires a DBS check, this will be done during the vetting stage of successful applicants.

7. Declaration

I declare that the information given in this application is a true and complete statement.

I understand that any offer of a volunteering role is subject to satisfactory references and checks from the Disclosure and Barring Service.
