

As part of the Big Help Out, Papworth Trust is collecting items for local charities to support those in need, and you can help us by having a clear out.

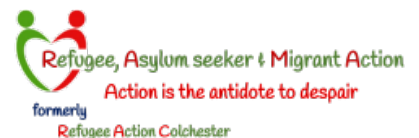

We're asking for donations of small, good quality, unwanted items that will fit in a shoebox. The items will be sorted by our customers and volunteers, and donated to relevant local charities who are supporting **young and older people, homelessness, and women's refuge** across the local community.

Suitable items could include:

- Books
- Cuddly toys
- Small items of clothing – socks, gloves, hats, scarves, flannel
- Games, puzzles and playing cards
- Craft kits, Pens and crayons for colouring books or drawing
- Personal care items (unopened) – soap, deodorant, shampoo, toothbrush and toothpaste, combs, hairbrush, wet wipes etc

Everything must be in good condition and fit in a shoebox.

No food items or things that require batteries or electricity please.
