OWL Bikes, Papworth Trust, Hawthorn Way, Cambridge CB4 1AX

Are you looking for a second-hand bike?

Help us make a big difference to the lives of local disabled people

We recycle and refurbish unwanted or donated bikes alongside bike repairs and services. OWL Bikes provides an opportunity for individuals who are 16+ with neurodivergence or a learning disability to work towards goals related to customer service, mechanics and IT, leading to support empowering individuals to access volunteering and employment opportunities.
